WHAT'S HAPPENING AT EDGE!

July 2018

Dear Parents,

Thank you for allowing us to collaborate with you in your child's faith formation journey. We at Gracepoint are passionate about the growth of our youth and we commit ourselves to continue exploring new ways on how we can best serve the faith needs of our Youth.

July Justice month

Once again, it's that time of the year when we as a church focus our energy towards compassion and Justice in our immediate and near community. Therefore, we as the Edge (Gracepoint youth) have organised an engaging program to sensitize youth to acts of compassion and justice and in the same light bring them into proximity with lesser-privileged people in our community. Our program for Sunday will comprise of food packing for the poor, disability awareness Sunday and anti-bullying programs. We are excited and looking forward to seeing your son/daughter at Edge on Sundays this July.

Transition ONE

We recently saw off the Transition One gap year students who came here as part of a gap year program organised and ran by Celebration church in Green Bay America. Seeing them grow during their stay here has inspired us to start dreaming up our own Gap year program (hint hint, wink wink).

11 May & 15 June Family nights

Thank you to all the families that participated in our recent family night events namely; Mother Night out and Murder Mystery. Seeing families worship, play and celebrate one another was nothing short of amazing, however if you could not make it to the previous events, we trust that you will be able to join us for the next family night (Date and event to be announced soon).

25 May Block Party

Our previous block party was a success with just over 70 teens joining us for a night of worship, fellowship, games, food stalls and performances from various up and coming artists. We are already planning our next block party and hope your child will be able to take part. Details for our next block party will be announced soon.

Coming up...

Come face your fears... our very own fear factor at Edge, all youth are invited.

Minute to win it. - Fri 20 July

Come join us for a night of crazy games and fellowship with likeminded peers.

27 July 2018 Travelling supper

One 3-course meal divided over 3 homes. All Youth are invited for a travelling supper at which we will travel to three homes for starters, mains and desert respectively. This is a great opportunity to fellowship and further grow our relationship with other likeminded peers.

December 2018 D - Camp

We are excited to announce that we will be participating in a December Youth Leadership camp this coming December. This is an opportunity for our youth to spend the first week of their December school holidays at a summer camp equipping themselves for leadership inside and outside of the church...wait it doesn't end there... we will also be spending a lot of time at the beach fellowshiping with like-minded peers from other churches across South Africa. If you would like to attend, please contact Hloni for forms.
