NEWSLETTER

Dear GAP Parents

We truly want to connect with you as a family and meet you, the fabulous parents! Please take a minute to contact us with family news, birthdays, queries etc. and please let us know if you are not receiving our weekly communications over SMS or Email.

We are going to be starting a WhatsApp group for the parents, so that communication will be easier between us all. We will be using the information on our database – please let us know if any information needs to be updated.

We know that exams are fast approaching and that this could be a very stressful time for some children. We will be praying! Please do not hesitate to contact us if there is any way we can support you during this time.

Blessings,

Ilse Werle

GAP Pastor

*****At the Movies
series*****

We are super excited about our new series. We will be journeying alongside the adult church with the At the Movies Series, but we will be watching our own movies. Please use this opportunity to chat to your children about what they are learning at GAP.
