Dear GAP Parents

Today we enter into the second last month of 2018 – how quickly the year has flown by! We also enter into month 2 of our At the Movies series and are excited to continue with this series. It has been great fun so far!

We have also started a WhatsApp group for the parents, so that communication will be easier between us all. We will be using the information on our database – please let us know if any information needs to be updated or if you have not been added to this group, please let us know so we can add you.

We know that for some exams are underway and that this could be a very stressful time for some children. We will be praying! Please do not hesitate to contact us if there is any way we can support you during this time.

We also really want to meet you if we have not yet met you! We truly want to connect with you as a family and meet you, the fabulous parents! Please take a minute to contact us with family news, birthdays, queries etc. and please let us know if you are not receiving our weekly communications over SMS or Email.

**Blessings,
Ilse Werle
GAP Pastor**
