

Instructions:

Parents please help your children stick the lesson's story pictures in the right order.

1. What you will need:

- * Scissors
- * Piece of cardboard or any A4 piece of paper
- * Glue
- * Pencils

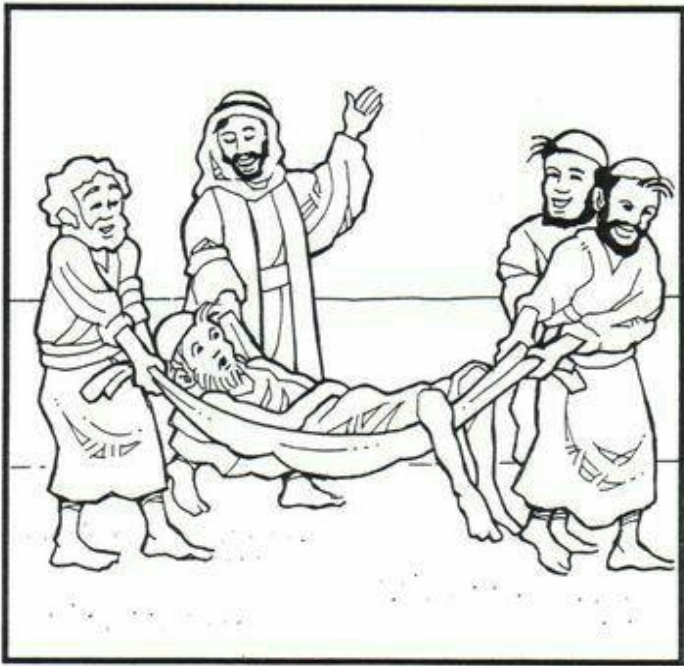

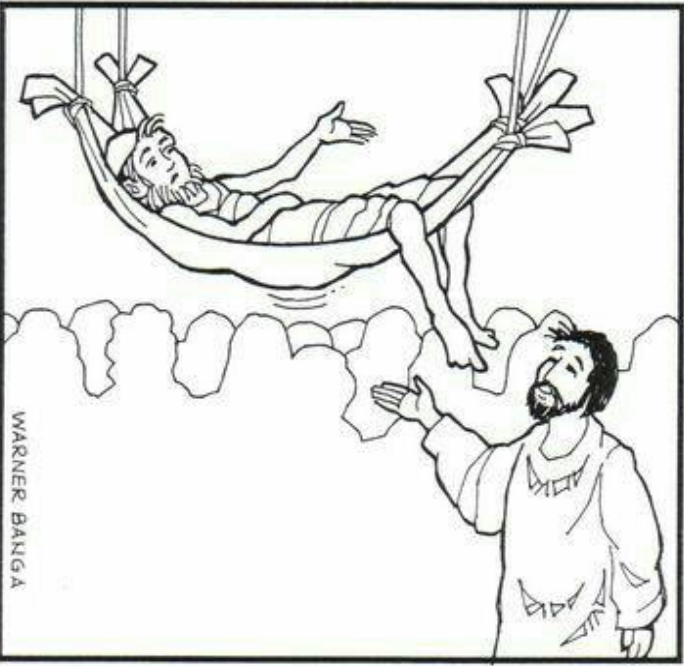

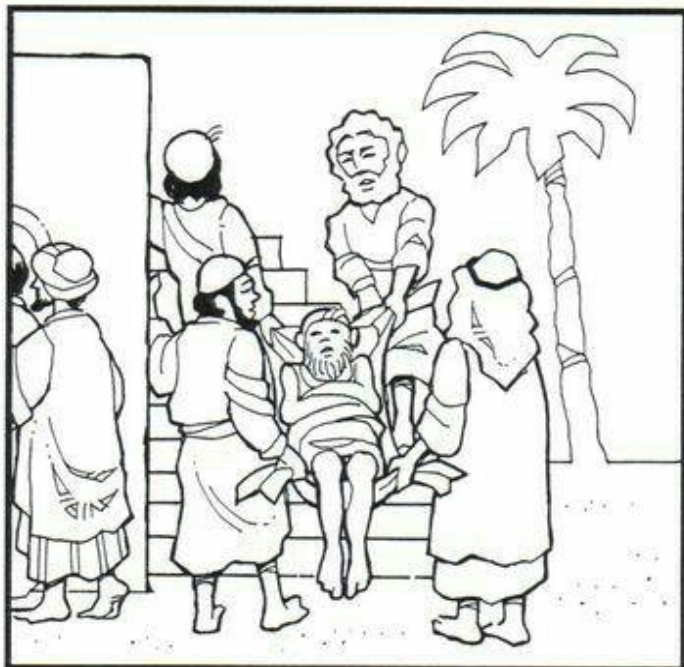

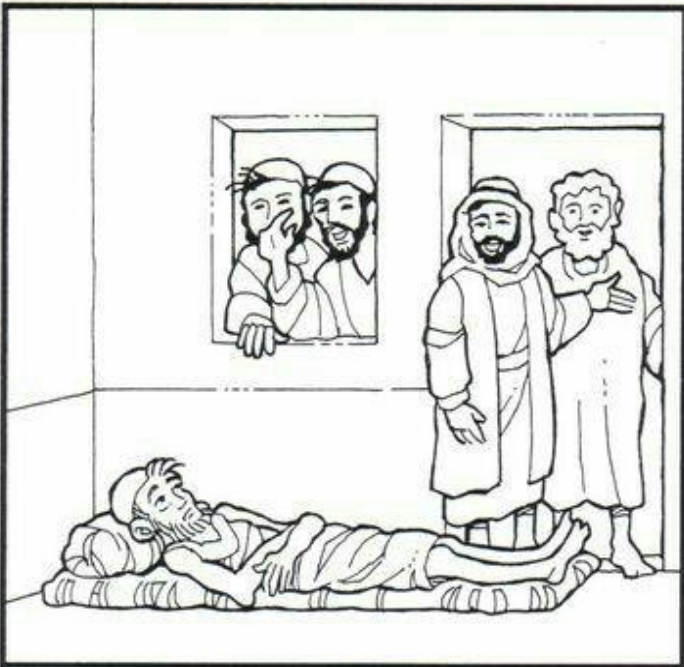

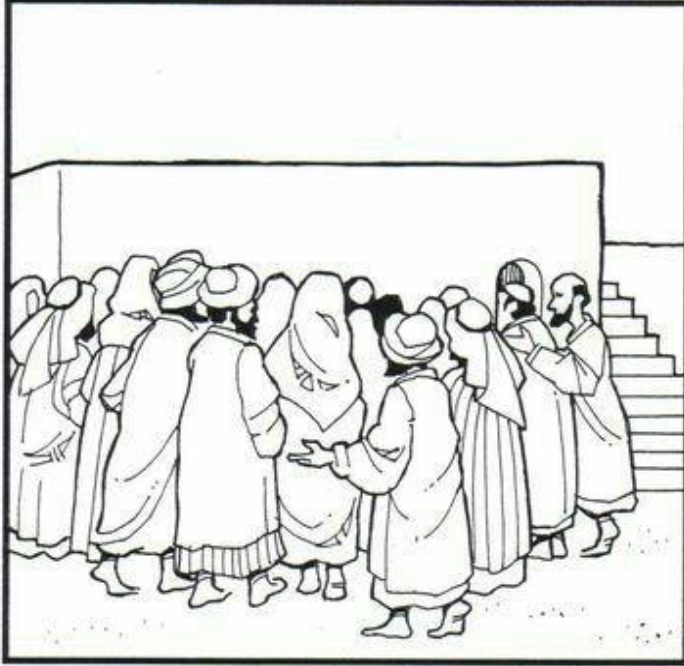

2. What to do:

- * Cut out all 6 pictures
- * On the card board paper stick the pictures in order as per the lesson.
- * Colour-in the pictures

3. Turn the page over:

- * Draw a picture of the paralyze man and his friends jumping up and down and celebrating.

4. Colour-in the other pictures and draw your own picture on the back of each page that tells us more about the story.
