

10<sup>th</sup> January 2021

*Dear Gracepoint Family,*

We greet you all in the name of our Lord and Saviour.

We begin a New Year with many restrictions but a lot to pray for, as there is so much at stake! Our lives are not our own, as they have been bought at a price. However, we have life from Jesus who paid that price! What will you be doing with yours entering 2021, with so much uncertainty, maybe doubt, fear and lack of vision for your future!

We'd like to encourage you, that the best place to start, is with God. That's why, as a community, we begin on Monday 11<sup>th</sup> January with **21 Days of Prayer & Fasting**. The reason may be where we find ourselves as a Church, a nation, or even the World as it currently is. But more importantly, for you, as a Christ follower, He paid the price for you to be free to enter into a relationship with the God who created all things, who knows all things, and who loves you more than you know!

Jesus reminds us in scripture, to seek first His Kingdom and His Righteousness, before anything else. Can we do that together? Let's press into God and His righteousness, and see what He will do in our lives, for our loved ones, our Community, for our Nation and the World! After all, this is what He calls us to.

By praying and fasting over the next 21 Days, we hope to see breakthrough where we've had difficulties, struggles, lack of direction and provision. We believe that God hears our prayers and will work intentionally on our behalf, and that fasting helps to put our needs and wants aside, to discover what God needs and wants from us as His followers.

We have developed a "**Cross the Divide**" daily devotional which you can download <https://gracepoint.co.za/wp-content/uploads/2020/05/Daily-Devotionals-Week-1-4-JAN-2021.pdf> for January to help you in your prayer time or follow on Social Media.

You can also download a 7 Steps to Successful Prayer & Fasting <https://gracepoint.co.za/wp-content/uploads/2020/05/7-Basic-Steps-to-Successful-Fasting-and-Prayer.pdf> guide to assist you in a successful 21 Days of Prayer and Fasting from our website.

We know that as you spend time fasting and praying, you will see God do more than you can ask or imagine!

Wishing you God's grace and peace.

Much love,

*Jacqui, Similo and Gary*
