

13<sup>th</sup> October 2020

*Dear Gracepoint Family,*

We greet you all in the name of our Lord and Saviour, Jesus Christ. It continues to be such a privilege for us to be able to worship together in person.

We are still in the process of adjusting and getting used to the COVID-19 Level 1 requirements and regulations for indoor gatherings. Thank you for your support by pre-registering. This has enabled us to make your sign-in process on Sundays a lot smoother and quicker.

Please see below links for the registration form for Sunday. We wish to encourage you to try and pre-register sooner than later, so that we can have your information on time.
